

Council Meeting Week 3 - 7th August 2017

Present: AO, JH, MH, EF, RQ, GMW, BM, AE

Absent: JC

No minutes from the previous brief council meeting.

No designs for the Buddy Bench - suggestion that the bench be painted with colour flicked onto it.

Ideas from classes include: (KB to respond to)

1. More nature - more plants planted, query about the tree that was removed from the Native Garden area. Happy that it will be replanted with native plants.
2. Buddy system - 1 senior has a junior buddy that they meet with once a week to have a chat with them about how things are going, if they need help with anything. Stay with them for a term perhaps.
3. Library available for students to use at interval, once a week? How will this work? Browse books only. Senior that supervises?
4. Are we able to use the park next door?
5. Are we able to have some nets on the basketball hoops? Ones that fit properly!
6. 'Tug of War' - this could easily be arranged to be done during school break time, there is a rope above the cupboard in the hall - am happy to organise. Perhaps junior comp and a senior comp.

Meeting closed: 1:45pm
