

School Council Meeting # 4 8th May

Present: MH, BM, EF, JH, JC, RQ, AE, GMK, AO, HM (visiting US student teacher)

Previous Minutes:

Discussion about the Flying Fox, the council would like to know the outcome of the PTA meeting. Are they willing to fund the repair of this?

- Principal has said yes to the cake baking competition and the talent competition. In our first meeting in term 2 these will be discussed further. This wasn't discussed, will be on the agenda for the next meeting.
- Tree climbing is still on the agenda. JH is to make an appointment with the principal to find suitable trees.

Items for discussion:

As there has still not been any offer of unwanted sports equipment to be donated the council would like to fundraise for equipment. After asking students, soccer balls and frisbees were mentioned. How do we go about this? The councillors are willing to make posters etc and help with the cooking etc.

Questions for the principal:

- How do we go about organising a sausage sizzle?
- Is it possible to have a water fight in the last week of school - sprinklers, water balloons, water guns.

The councillors would still like to use the hall on a rotational basis for each class. Councillors suggested CHiPs (which would need to be 'resurrected') could assist with supervision. To be discussed at a staff meeting.

Meeting closed at 1:50pm.
