ACTION: EF/AO reminded about the piece they are to do for the upcoming newsletter to get used sporting equipment, possibility of someone donating something like 'Crazy Catch'.

Questions for the principal:

- Are we able to have a 'Talent Competition'?
- Could each class have access to the hall during break times for one week? The hall to be monitored by the councillors.
- Could we have a cake baking and sand castle competition at some stage during the year?

Discussion on the expectations of councillors:

1. Councillors are to be the 'voice' for their houses. Passing on questions, ideas, queries and concerns.
2. They are role models, modelling appropriate behaviours at all times.
3. Councillors to rotate and be 'welcomers'/thankers to visiting people eg. El Grego, musicians etc.
